## ***The Newcastle Express***

Newsletter of the Newcastle Model Railway Club Inc.

### **Club Building Update**

An order for the shed has been placed with Judd's Garages. Plans are currently being prepared for the required construction certificate. Anticipated build early 2019.

### **Fund Raising Activities - Bunning's BBQ**

On Sunday 16<sup>th</sup> December the Club undertook its first BBQ at Bunning's Kotara. Thanks to the efforts of those who volunteered their time and organized the event. The day was a great success with \$1400 being raised to support the Clubs current building project. A first rate job was done and therefore Bunning's have invited us back on Saturday 5<sup>th</sup> January 2019 to deliver another community sausage sizzle. So if you couldn't make the first one, or you had so much fun that you want to help out again, then please contact Peter Scouler. Even if you can't make it on the day there are other tasks that need completing before the event.

### **2019 TNMRC Membership Renewals**

2019 TNMRC membership renewal fees are now due, cost \$35.00 and attendance fees \$3.00 per visit.

### **Hills Model Railway Society Inc.**

The Hills Model Railway Club has extended an invitation to TNMRC to complete an 'Expression of Interest' to attend their exhibition to be held in 18<sup>th</sup> -19<sup>th</sup> May 2019 at the Blacktown Leisure Centre Stanhope. This invitation is not restricted to TNMRC but also to other parties, so if you know anyone who may be interested in exhibiting please pass on these details.

If you have any questions please contact the exhibition coordinator at the:
