RBT Night (Repair Broken Trains).

Repair Broken Trains night is being held, not just to get loco's to run, but the opportunity for you hear about other issues that impact good running such as adjusting coupler heights and improving wheel sets. It is not intended for a few people to fix things for others, but to share knowledge amongst club members and to learn the skills to do it yourself.

For further information or membership enquiry's, please contact: The Secretary, T.N.M.R.C. Inc.
